

**IN THE DRAWING FIGURES**

Please amend the drawing figures 1 and 2 with the enclosed amended formal drawings.

One copy of the amended drawing figures 1 and 2 is enclosed herewith.

In figures 1 and 2, the label “Replacement Sheet” has been included into the top margins of both figures 1 and 2.

## **REMARKS/ARGUMENTS**

The Second Official Action dated 10 May 2005 has been carefully considered, along with cited references, applicable sections of the Patent Act, Patent Rules, the Manual of Patent Examining Procedure and relevant decisional law.

The Examiner has kindly indicated that the application is in condition for allowance except for the following formal matters:

The drawings are objected to because the drawing sheet submitted after the filing date of an application does not have label in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d).

In response, figures 1 and 2 have been amended to include the label "Replacement Sheet", according to the Examiner's suggestion.

Claims 1 and 3-6 have been allowed, and early issuance of a Notice of Allowance is accordingly most respectfully solicited.

Courtesy and cooperation of Examiner ALI are appreciated.

respectfully submitted,

By: Charles E. Baxley
